

11/20/2013

Dear Mr. Carter,

I would like to thank you and the Rees Scholarship Foundation for choosing me for the scholarship award. I will be finishing my final semester at Northwest Community College in Senatobia, Ms. this spring. This scholarship will help me complete my final semester and help me reach my career goal as a HVACR technician. Words cannot express how much I appreciate it.

Sincerely,

A handwritten signature in cursive script that reads "Ashley Ray Melton". The signature is written in black ink and is positioned above the typed name.
